## **NCEA SUMMARY PROGRESS REPORT YEAR 11-13 STUDENTS ERROR**

The NCEA Progress Summary reports published to the portal this year have had a KAMAR database calculation error for the NCEA Level 1 NCEA: Merit Endorsement field. To find out more about NCEA Endorsements please view [this link](#). This was picked up by Ms Vujcich and KAMAR have now fixed part of their report template. Correct reports will be posted with the 2018 End of Year Reports and have been published to the portal. For understanding NCEA, please take a look at [this link](#).

## **NEW ENROLMENT-BASED MEASURE OF NCEA ATTAINMENT**

NZQA and the Ministry of Education have implemented a change to the way NCEA and University Entrance attainment is reported.

The new enrolment-based measure of NCEA attainment will replace NZQA's roll - based and participation-based measures. It provides a more precise picture of attainment. It counts all domestic students in years 11 to 13 aged less than 19 on 1 January, rather than taking a snapshot of students as at 1 July. It also counts up to three ethnicities students identify with, rather than limiting this to just one.

As a result, NZQA advises that most schools will see a change in their attainment rates. It is a statistical adjustment that doesn't reflect school performance, teaching practice or an individual student's results. Also, whilst NCEA and University Entrance attainment rates do change for most schools, the amount of improvement in student attainment over time is similar and positive using the enrolment-based measure.

NZQA has consulted with schools on the way attainment is reported at a school level. The enrolment-based measure will be used for reporting NCEA and University Entrance attainment statistics from January 2019.

More information can be found on the NZQA website:

<https://www.nzqa.govt.nz/studying-in-new-zealand/secondary-school-and-ncea/find-information-about-a-school/secondary-school-statistics/>

## **MAORI PERFORMING ARTS:**

A reminder to parents of Year 9 and 10 students that perform Kapa Haka they are able to do NCEA Levels 1, 2, and 3 Maori Performing Arts unit standards next year.

The following information is currently available – notices, calendar, student timetables, live attendance, pastoral notes, recognition's (C.A.R.E points), student reports, students results, and student pathways.
