

Te Kura Outline 2020 – L2 Mathematics

Standard and Booklet Details

Standard	T	V	C	Booklet	Website Location	Assessment	Exp:Time	Started	Completed	GRADE/FEEDBACK
AS91264 Use statistical methods to make an inference	I	3	4	MX02091	MX02091: Statistical inference 1		31 March			
AS91269 Apply systems of equations in solving problem	I	3	2	MX02061	MX02061: Algebraic methods 1	AS91261 Apply algebraic methods in solving problems (Date TBC)	14 April			
				MX02062	MX02062: Algebraic methods 2		28 April			
				MX02063	MX02063: Algebraic methods 3		12 May			
AS91262 Apply calculus methods in solving problems	E	3	5	MX02071	MX02071: Calculus Methods 1		26 May			
				MX02072	MX02072: Calculus Methods 2		9 June			
				MX02073	MX02073: Calculus Methods 3		23 June			
AS9167 Apply probability methods in solving problems	E	3	4	MX02121	MX02121: Graphical methods 1		7 July			
				MX02122	MX02122: Graphical methods 2		21 July			
				MX02123	MX02123: Graphical methods 3		4 August			

* The course outlines may change depending on individual student learning
