ATTENDANCE DUES

As a State Integrated School, the proprietors charge 'Attendance Dues' for capital development works (gst inc). The current rates are on a 52-week basis.

AMOUNT OF PAYMENT ARRANGEMENTS FOR YEAR 1-8:

CHILDREN	Total Year GST inc
1 Child	\$ 920.00

AMOUNT OF PAYMENT ARRANGEMENTS FOR YEAR 9-13:

CHILDREN	Total Year GST inc
1 Child	\$ 1,150.00

Attendance Dues Policy

It is the Proprietor's belief that no child should be restricted from Christian education for financial reasons alone. If parents at any time are struggling to meet financial commitments, they should contact the proprietor Mike Shaw on 4053996.

If proprietor's fees are not paid for two months consecutively, and Pastor Mike Shaw has not been contacted, parents/caregivers may be asked to withdraw their child/children from school.

Additional Costs

Parents/Caregivers should be aware that there will be additional costs during the year for items such as uniforms, stationery, craft materials, expendable resources, and school trips.

ENROLMENT POLICY

Application for enrolment is open to both Christian and non-Christian families, provided it is felt that the student will fit into, flow with, and benefit by, the special character and curriculum of the school. However, our roll is limited by our integration agreement of 5% of the roll being open for non-preference families and a 'pre-enrolment' interview with a proprietor's representative will be necessary to determine whether or not a family/child is either preference or non preference.

The enclosed Application Form and two reference forms should be completed and forwarded to the Kaikohe Christian School Office (Kaikohe Campus). A separate enrolment pack is required for each child. Please also include each student's copies of latest school report, also birth certificate or passport, as verification documents. Parents/Caregivers will be contacted and interviews arranged, once all documentation is received and checked by our Office Staff.

Should you have any queries, please do not hesitate to contact Psalm Cassidy (Office Receptionist) on 09 4011 873 or email: office@kcs.school.nz

STUDENT WAITING LIST ENROLMENT POLICY

As vacancies on the roll rise, the proprietor and BOT will give enrolment preference in accordance with the following criteria:

1. Students/families connected to the School's Special Character who wish to attend the Kaikohe Campus. Firstly, to students/families of "Heart of the North Celebration Centre" and then other local churches.
2. Student's/families who are not connected to the School's Special Character who wish to attend the Kaikohe campus.

In addition to the above, preference will be given under each criteria to those with siblings in the school.

THE PARENTS & CAREGIVERS ROLE

We deeply desire that parents work hand in hand with staff because we know that our students will achieve better if you do. The following areas need your support:

1. Support the Christian philosophy, goals and practices of the school.
2. Encourage the children to achieve to the best of their ability in all areas.
3. Support the school to maintain high standards of behaviour.
4. Monitor and enforce school uniform code. Ensure your children are in uniform and have the equipment they need for learning.

1. Our Christian Ethos

We teach from a Christian world view. The learning of verses from the Bible are integrated into our teaching as are moral values. We study the Bible, and our assemblies include praise and worship songs, and our speakers encourage the students to live Godly lives.

2. Academic Achievement

Students are more likely to do well when we as teachers, parents and caregivers expect them to do well, and these expectations are expressed in words and actions. Together we:

- Find and encourage their interests, talk to them about what they are learning, ask them questions, talk to them about politics, social problems, current affairs, business, farming, your dreams, etc.
- Encourage sport, hobbies, music and art. Limit their television and computer game playing, also their part-time jobs. Encourage them to have long term goals toward long term wealth and job fulfilment, rather than short term spending power.

3. Behaviour

Together, we as parents and teachers want our children in an environment not limited by their own or other students' bad behaviour, so please support us to maintain a positive learning atmosphere in the class, and a caring environment in the playground.

Behaviour Management

From time to time, it is necessary to remind students about their conduct. We do this by encouraging and modelling pro social behaviours. Low level incidents are managed by low key 're-direct' prompts. Repeated off task or distractive behaviour may trigger 'quiet words' outside before returning to the learning environment. More serious misconduct may trigger a period of "time out" or referral to the Principal.

We believe it is important to keep our lines of communication open so it is likely that we would contact you to keep you informed of any significant challenges we were facing.

Daily Report

Sometimes it will be necessary to have a more formal process for identifying and monitoring behaviours. We use a "Report" system to help students focus on behaviour goals and to keep you informed so there can be a partnership approach to behaviour management.

Detentions

Sometimes it is necessary to issue a lunch time or after school detention. If this happens you will be informed.

Stand downs and Suspensions

In extreme cases it may be necessary to use a stand down or suspension to respond to the behaviour needs of a student. In such cases we would keep you closely informed.

Absences

Research shows that absence from school has a large impact on learning and achievement. Students who are frequently absent from school are at significant risk of falling behind. We encourage excellent attendance and appreciate your support to have your children arrive at school each day, on time, ready to learn.

Please remember to phone the school to inform us when your student is absent.

If you need to vary school holiday breaks for any reason, please negotiate this with the Principal who can approve an absence of up to five school days. The Ministry of Education monitor unjustifiable absences.

Visiting classrooms in school hours

We like to have parents involved in the learning that is taking place and you are welcome to visit classrooms. Please be aware that learning time is precious and that students can be distracted by interruptions. If you would like to spend some time in classrooms, please get in touch with your child's teacher—it may even be that you could help out.

Reports

We report formally to you three times each year. The report in term one is a "Settling in/Attitude" report. In terms two and four are progress and achievement reports which provide details about areas of strength, areas of challenge, assessment results and comments about next learning steps.

Teacher interviews

In the middle of the year, we hold a parent teacher interview evening where you can come and talk to all the teachers about how your child/children are doing. You may also arrange to see a staff member by making an appointment through the school office at any time.

Parent concerns / complaints

Matthew 18 vs 15-17 sets out a pattern for us to follow:

1. Take your concern directly to the person first—out of class time. If the matter cannot be resolved, then...
2. Take the matter to the Principal.
3. If the matter still remains unresolved then ...
4. Take it to the Board Chairperson.

Board of Trustees Meetings

All parents are welcome to attend the Board of Trustees meetings. A copy of the minutes can be obtained from the office. Should you wish to raise a concern, please contact the office or Principal, or a parent rep. You should work through the Principal first.

Out of school appointments for students

Please provide a note for your child. They need to sign out and then sign back into school on return.

Emergencies

Please notify office staff and they will get your child. (In the absence of office staff go to their classroom and explain the situation to the teacher.)

Please notify office with an explanation.

Absences Due to Sickness

If your child is sick, please ring and explain to the office.

Absences due to other events

The NZ Government requires children to be at school. The Principal is able to grant an exemption of up to five days. If your child is to be absent for reasons other than sickness please talk to the Principal, rather than your child's teacher.

Overall Academic Excellence Cups

These are awarded to the top academic student in each section of the school—Primary, Intermediate and Senior.

Overall Excellence of Attitude Cups

These are awarded to the students who are judged to have the most excellent attitude in each of the three areas of the school.

MERITS SYSTEM

CARE: Christ As our Reliable Example

Here at Kaikohe Christian School, we follow a positive behaviour model known as:

Christ As our Reliable Example' or 'CARE.'

Care points are awarded to the students for showing:

- **Courage** in learning and attitude
- **Aroha** and support for those around them
- **Respect** for rules, their peers and those around them
- **Excelling** in attitude and academic achievements

As students earn points, in each of the **CARE** areas, they receive certificates and badges at the following levels:

- Bronze
- Silver
- Gold
- Sapphire
- Diamond

Diamond is our highest level of **CARE** achievement and once a student reaches this level, they receive a fantastic rewards trip.

Our last group of Diamond students were sent out on the 'Explore Bay of Islands Dolphin Cruise' for the day!
